

# BUSINESS CASE PACKAGE

First step on an extraordinary journey

**Confidence** to move forward with what you want to do.

**Clarity** about what can be achieved on your site.

**Vision** that gets stakeholders, boards and funding bodies excited about what you want to do, and why.

## Quick & compact design and reporting for feasibility stage projects.

Get funding ready with our business case package:

- Site opportunities, requirements and challenges analysis
- Quantify brand & target market, functional space requirements. Brief report for business case background.
- Options analysis for location, scale and density of development
- Professional opinion of cost for one preferred option
- Character and style recommendation
- Sketch plans and 3D views
- High quality rendering

Need specialist advice to bring the full feasibility study or grant package together?

- Add: Council Planning Approval code review and advice from a professional consulting town planner. Ask for an introduction to Amanda at [Greenlight Planning](#).
- Add: Business Case and Grant writing by consultant with a history of successful applications. Ask for an introduction to Alex at [Alex Brown Project Co.](#)
- Add: Financial business case by consulting an accounting firm who knows how to balance investment and ROI targets. Ask for an introduction to Aly at [All In Advisory](#).

## PACKAGE STARTS FROM \$6,000+GST
